

EVERYTHING  
(B. Barton)

Eyes open  
hearts pounding  
beat with the time  
that's changing  
rearranging  
everything

**LET GO THE HAND THAT HOLDS US DOWN  
BREATHE IN THE LOVE THAT'S ALL AROUND**

House burns down  
home rises  
up from the ground  
Hearts reaching  
love seeking  
Ev-ery thing

**LET GO THE HAND THAT HOLDS US DOWN  
BREATHE IN THE LOVE THAT'S ALL A-ROUND  
LET'S MAKE A STAND ON SOLID GROUND  
AND GIVE A CHANCE TO WHAT WE'VE FOUND**

Eyes open  
lips parting  
hushed with the sound  
Blood rushing  
love crushing  
everything

**LET GO THE HAND THAT HOLDS US DOWN  
BREATHE IN THE LOVE THAT'S ALL A-ROUND  
LET'S MAKE A STAND ON SOLID GROUND  
AND GIVE A CHANCE TO WHAT WE'VE FOUND (x2)**

Eyes open  
hearts pounding  
beat with the time
